## Melt filter Questionnaire Inquiry

Mr. / Mrs. / Ms. : .....	ZIP / City : .....
Name : .....	Country : .....
Company : .....	Phone : .....
Division : .....	Fax : .....
Address : .....	e-Mail : .....

### Specification of Material

#### Material typ

LDPE <input type="checkbox"/>	HDPE <input type="checkbox"/>	LLDPE <input type="checkbox"/>	PA6 <input type="checkbox"/>	PET <input type="checkbox"/>
PP <input type="checkbox"/>	PS <input type="checkbox"/>	ABS <input type="checkbox"/>	PA6.6 <input type="checkbox"/>	Others .....

#### Kind of Material

Virgin <input type="checkbox"/>	Reclaim <input type="checkbox"/>	Approx. mixture virgin .....% / reclaim.....%
Clean production waste <input type="checkbox"/>	Slightly contaminated production waste <input type="checkbox"/>	
Post consumer washed <input type="checkbox"/>	Post consumer unwashed / heavy contaminated <input type="checkbox"/>	
Description of contamination .....		

### Production line

Pelletising System <input type="checkbox"/>	Fiber / Non-woven <input type="checkbox"/>	Pipe / Profiles <input type="checkbox"/>	Flat film <input type="checkbox"/>
Compounding <input type="checkbox"/>	Blown film <input type="checkbox"/>	Strapping tapes <input type="checkbox"/>	Sheets <input type="checkbox"/>

### Extruder

Single screw <input type="checkbox"/>	Twin screw <input type="checkbox"/>	Screw diameter .....mm
Output .....kg/h	Max. Pressure build up on screw tip .....bar	

### Filtration fitness

.....mesh or .....my
